

Nr 058460/09/2018-1

1. Unique identification code of the product type:

**Passiv-Line S (1230 x 1480)**

2. Intended use:

**Windows intended for use in residential and commercial locations  
and in heated rooms ti  $\geq 16$  degrees C**

3. Producer:

**Firma AdamS H. Pędzich, ul. Giżycka 5, 11-700 Mrągowo**

4. Assessment and verification of consistency of performance:

**System 3**

5. Relevant Harmonised Standard:

**PN-EN 14351-1+A2:2016-10 October 2016**

6. Notified Bodies:

**DWU\_MLTB\_CTO**

7. Declared Performance:

Essential characteristics	Performance
Resistance to wind load	C2
Water resistance-unprotected	7A
Load bearing capacity of Safety Device	350N
Air permeability	4
Thermal transmittance U-value W/m <sup>2</sup> K	0,78
Dangerous substances	npd
Solar factor g	44.4TM/14/6/14/6TM Ultimate
Acoustic performance Rw(C;Ctr) (dB)	45(-2;-5)

The performance of the product identified above is in conformity with the declared performance. The following declaration of performance is issued in accordance with Regulation (EU) No 305/2011 with

Signed for and on behalf of the manufacturer:
